Add a VDOE-Approved Curriculum to the Classroom Profile

For Single Administrators (including Family Day Home Providers) and Multi-Site Administrators

Steps for Single-Site Administrators, including Family Day Home Providers:

1. On your **Dashboard**, scroll down to your list of **Classrooms**.

2. Click on "**Actions**" and select "**Edit Classroom Profile.**"

3. Scroll down to the bottom of the page. Answer or edit all the questions under "**Curricula or Learning Framework Information**." VDOE's most up-to-date list of curricula can be found here.

Steps for Multi-Site Administrators:

1. On your **Multi-Site Dashboard,** scroll down to your list of **Sites**. Click on the **Site** you want to access.

2.   Scroll down to your list of **Classrooms**.

3.   Click on "**Actions**" and select "**Edit Classroom Profile**".

4. Scroll down to the bottom of the page. Answer or edit the fields under "**Curricula or Learning Framework Information.**" VDOE's most up-to-date list of curricula can be found here.
