

Enter CLASS Observation Information Guide

For Observers, Ready Region Leads with Access granted, and Site Administrators, including Family Day Home Providers and Multi-Site Administrators

Navigate to Observations

- 1. Select "LinkB5" in the left-hand navigation.
- 2. Select "Observations."
- Select Ready Region and/or Site (if applicable).
 Note: Your ability to select Ready Region and/or Site depends on your access and permissions.

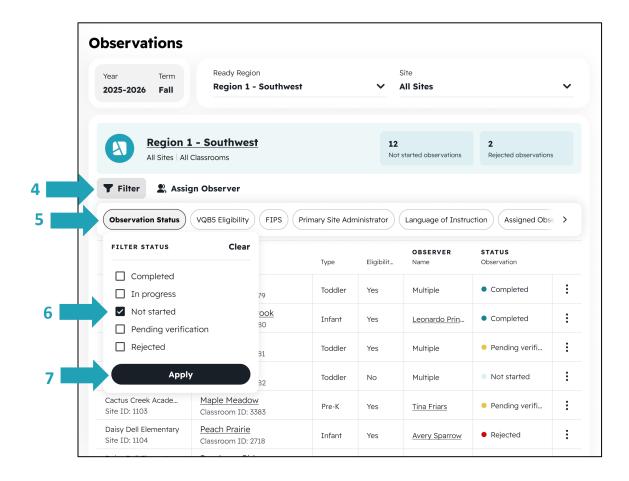

- 4. Click the "Filter."
- 5. Select "Observation Status."
- 6. Select "Not Started."
- 7. Click "Apply."

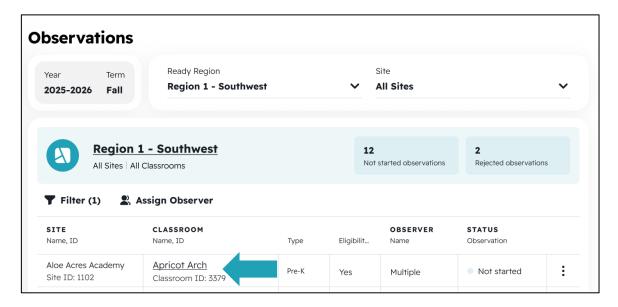

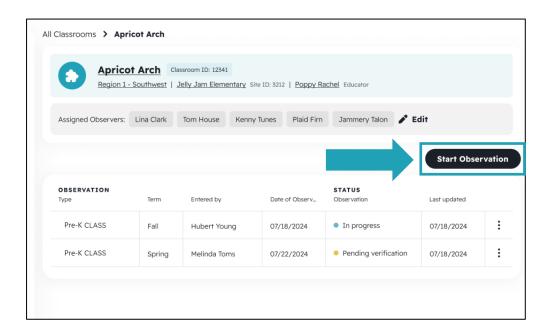

Navigate to "Start Observation"

Option 1: From Within the Classroom's Observations Overview

1. Click the underlined Classroom name.

2. Click the "Start Observation" button.

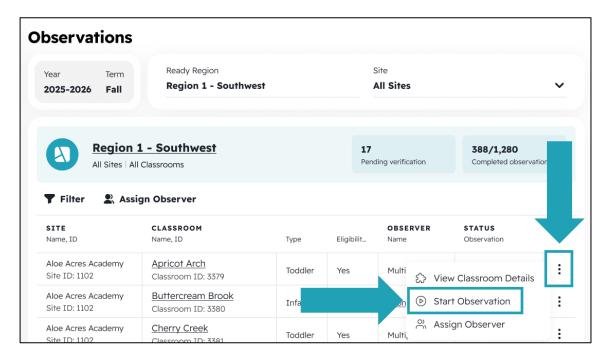

Option 2: From the Classroom Menu

- 1. Click the Classroom menu.
- 2. Select "Start Observation."

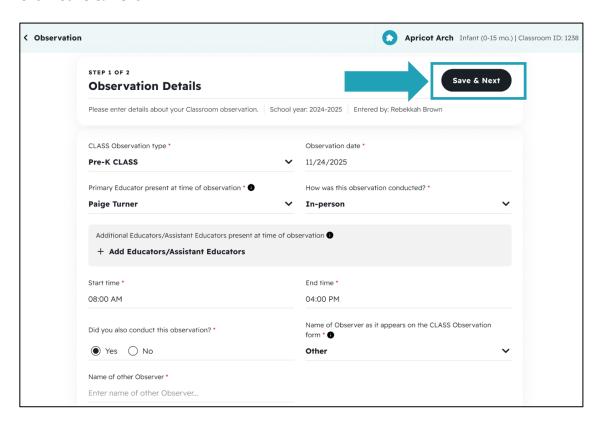

Complete CLASS Observation Information

- 1. Complete all "Observation Details" fields. The form will not be saved if the required fields (marked with a red*) are not filled out.
- 2. Click "Save & Next."

- 3. Click the arrows to expand Cycles 1-4.
- 4. Complete all fields in Cycles 1-4. The form will not be saved if the required fields (marked with a red *) are not filled out.
- 5. Click "Review & Submit." If you do not complete all required fields in Cycles 1-4 in one session, click "Save" to return later.

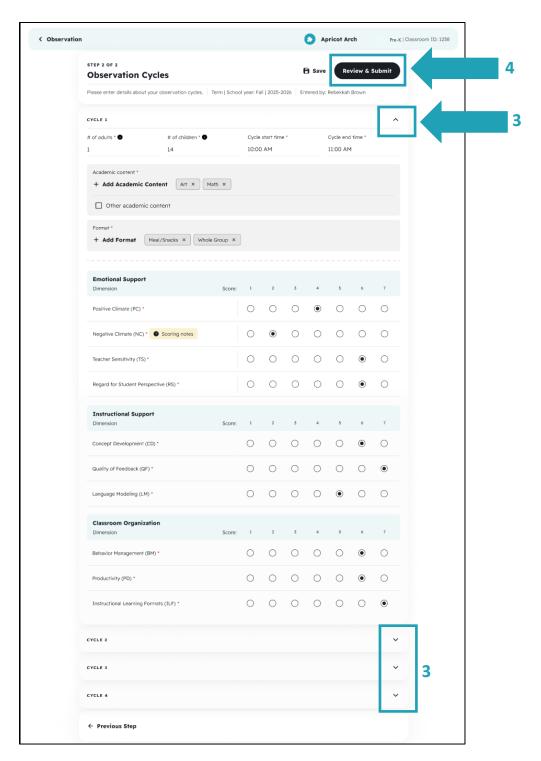

Note: "Negative Climate" scores for Toddler and Pre-K should be entered in as the raw score (not reversed).

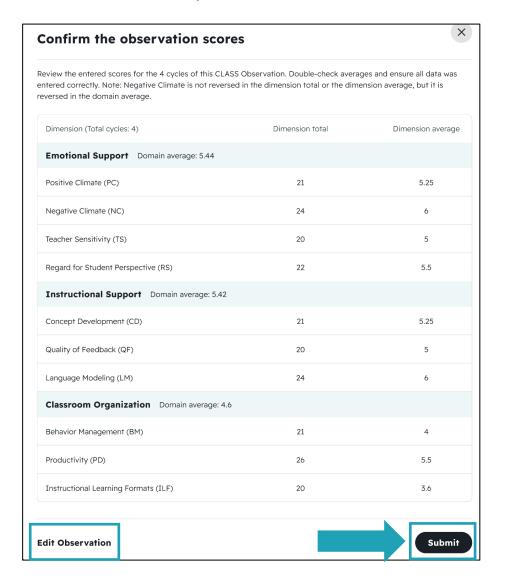

- 6. Review and confirm the Observation information.
- 7. Click "Submit," or click "Edit Observation" to make edits.
 - Once you click "Submit," an email will be sent to the Primary Site Administrator to review and verify Observation information.

8. After you click "Submit," you will receive a pop-up "Success!" message.

9. You will receive an email when the Primary Site Administrator verifies the Observation Information.
